

3.5mm Auxiliary Stereo Audio Cable

Enjoy instant Plug and Play connections between your audio devices. This auxiliary cable is compatible with the 3.5mm aux-in port on your phone, tablet, iPod, laptop, headphones, Bluetooth speakers, car stereo, or home speaker system. This 3-foot cable is compact for absolute convenience and portability. It has an incredible bend lifespan that can stand up to repeated plugging and unplugging thanks to reinforced strain relief collars and a durable-yet-flexible jacketing.

Features

- 3.5mm Universal Audio Jack
- Gold-Plated Contacts for HD Lossless Analog Audio
- Supports 2-Channel Stereo Sound
- Dual-Layer Shielding for Enhanced Signal Clarity
- Durable Strain Relief Collars
- 10X Stronger Than Standard Cables
- Car-Friendly 3-foot Length
