Xpods^{ANC}

ACTIVE NOISE CANCELLING

FEATURING
Noisehush[®] Technology

Tune out when you want to, tune in when you need to. All-new from Naztech, the Xpods ANC earbuds feature real-time adaptive Active Noise Cancelling and an Ambient Transparency mode, so you can take total control over your listening experience. Powerful 12mm dynamic drivers deliver the same premium Xpods audio, while the new memory foam ear tips provide an in-ear fit that is more secure and much more comfortable than traditional silicone tips. Get natural-sounding phone call quality thanks to the 4 ENC voice microphones and next-gen Bluetooth 5.4 chipset, which includes support for 2-device Multipoint Connection.
