SPIN CYCLE

LED WIRELESS HANDLEBAR SPEAKER

Light up your ride with the Spin Cycle LED Wireless Handlebar Speaker from HyperGear. This powerful little speaker securely mounts to your bike's handlebar so you can bring HD music and a colorful LED light show wherever the road takes you - and it's rated IPX4 splashproof and water-resistant, so you don't need to worry about getting caught in the rain. Thanks to the speaker's built-in clip grip and the mount's grab & go detachable design, you can easily take the speaker with you indoors at the end of the day, or clip it onto a backpack for even more adventures. Enjoy up to 8 hours of on-the-go playtime, and stream all your music stutter-free with the latest Bluetooth technology.
