

CINÉMINI

Portable LCD Mini Projector

Make every moment a little cinematic. The CinéMini Portable Mini Projector from HyperGear renders all your movies, games, and streaming content in vivid and vibrant detail with 1280 x 720p HD resolution and a brightness of 160 ANSI lumens – and with totally portable convenience. The ultra-compact and lightweight design is perfect for home, office, and even classroom use – simply adjust its location to change the projection screen size from 30 inches in small rooms all the way up to 200 inches for an immersive cinematic experience. Connect with HDMI, stream wirelessly with Wi-Fi or AirPlay, or download all your favorite streaming apps and play directly from the projector – thousands of movies and episodes of TV, live news, sports, music, and so much more.
