

POCKET POPPER

MAGNETIC MINI WIRELESS SPEAKER

Get the party poppin' with the Pocket Popper Magnetic Mini Wireless Speaker from HyperGear. The bottom of this little speaker has a ring of magnets built in, so you can just pop it onto the back of your MagSafe phone or case for an instant upgrade to 360° HD sound – and you can use it as a kickstand at the same time. The 40mm dynamic driver is backed by a powerful 5W amp, the impressively large internal battery gives you up to 8 hours of playtime, and it has a built-in mic for speakerphone calls. Certified IPX6 waterproof, compatible with all Bluetooth-enabled devices, and you can stick it onto any metal surface for a fun and convenient way to pump up all your tunes. You can even pair 2 Pocket Poppers together for wireless stereo play.
