

FLEXI PRO

Soft-Touch Silicone Cable 6ft | USB-C to Lightning

It's time for a charging upgrade. Super-soft and super-bendy, our Flexi Pro cables flow where you take them and stay where you want them - no more twists, kinks, and tangles. The super-durable and tear-resistant exterior is 10X stronger than standard cables while being oh-so-soft to the touch, and it comes with a silicone cable strap for on-the-go convenience. MFi-certified for safe and seamless use with all Apple Lightning devices, and Power Delivery-enabled so you can super-fast charge your iPhone from 0 to 50% in around 25 minutes.
