

POWERFOLD X-RAY

4-in-1 Foldable Wireless Charging Stand

4-IN-1

UP TO **15W** Wireless Fast Charge

Power up in style with the PowerFold X-Ray 4-in-1 Foldable Wireless Charging Stand. Featuring a retro transparent design and dimmable LED mood lights, you can charge all your Apple devices clutter-free and in view with up to 15W wireless fast charge for your phone, a built-in magnetic charging mount for your Apple Watch, a charging pad for your AirPods, and an extra USB port for up to 5W of power to any 4th device. No matter what size your phone is, the unique height-adjustable charging coil gives you an optimally aligned and efficient charge in both portrait and landscape modes. Charge upright with an ideal 60° viewing angle, then fold it down and take it with you on the go – its ultra-slim profile makes it a perfect fit in any bag.
