

MagFold

Stand + Wallet for MagSafe®

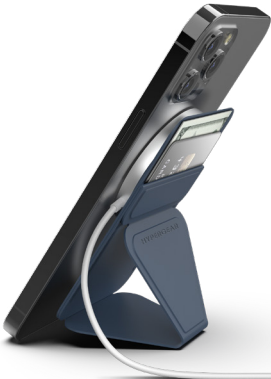

It's time to upgrade to the newest standout wallet. With a 2-in-1 design, the MagFold doubles as a two-card wallet and a versatile fold-out stand, bringing even more luxury to your iPhone. Just snap the MagFold onto the back of your iPhone 13 or MagSafe case, and the seamless magnetic alignment instantly locks it in place without adding any extra bulk to your device. The fold-out stand offers 3 intuitive viewing options for maximum utility as you work, browse the web, watch videos, or stream in portrait, landscape, and even a "floating" look. Enjoy even more versatility and get charging by attaching your MagSafe charger to the stand. Crafted from premium wear-resistant vegan leather for a luxurious look and feel that's made to last. The MagFold is more than the standard wallet!
