# Stealth ANC

## Active Noise Cancelling Wireless Headphones

Seal-in sound and block out noise with the Stealth ANC Wireless Headphones. Immerse yourself in deep, dynamic bass, detailed mids, sparkling highs, to hear every subtle detail, no matter how loud your surroundings get. Powerful 40mm neodymium drivers are paired with Active Noise Cancelling Technology, eliminating unwanted noises and distractions by mixing external sound waves with ones created by the headphones for the clearest listening experience. Enjoy cloud-like comfort all day long as the ultra-soft memory foam ear cushions and adjustable padded headband provide the perfect fit to seal in the rich high-definition sound. Using the latest Bluetooth technology, enjoy seamless pairing with crystal clear connectivity and a truly wireless experience. With a 24-hour extended battery life, the headphones can power through long trips and day-to-day play on a single charge. Experience exceptional sound at any volume.
