

Power Tower

High-Speed Charging Station

Transform a single wall outlet into a multi-device charging hub. With up to 42W of power, the Power Tower High-Speed Charging Station is a must-have for any home or office with multiple devices that need frequent charging. Charge all your devices at once from 6 high-power vertically stacked ports— 18W USB-C Power Delivery, 15W USB-C, and 4 additional USB ports. Enhanced with Power Delivery fast charging technology, the Power Tower is 4X faster than standard chargers and can take the latest iPhone and Android smartphones from 0 to 50% in just 30 minutes! Simplify your charging with the Power Tower.

4X Faster
Charging
PD Power Delivery
