

ChargePad Pro

Wireless Charging Pad

Say goodbye to tangled wires and lost charging cables. The ChargePad Pro utilizes Qi inductive charging technology that eliminates the need to constantly plug and unplug charging cables each time you want a power boost. Just set your device on the pad to fast charge on contact! Engineered with 3X the power of standard wireless and wired chargers, the 15W maximum output can save you 2 hours of total charging time! This is power simplified.
